

You Did What?? With My T-Shirts

In an age when every event is commemorated with a T-shirt, it is only fitting that they be saved and cherished for years. What do you do with them when you no longer want to wear them but just cannot throw them away? Well, one way is to make these wonderful pieces of the past into a quilt. Whether you have a few or a bunch, we hope these patterns will inspire you to dig those long forgotten T-shirts from your wardrobe and give them a fitting place in your very own T-shirt quilt.
